Brandon Sessions

Senior Vice President

Career Summary

Brandon Sessions has over 10 years' experience in commercial real estate, specializing in medical and general office leasing, tenant representation, owner-user sales, investment acquisition, and condominium development in the greater Sacramento area.

Sessions joined the Osborne Group in 2012 and has quickly become an expert and leader in commercial real estate. Brandon successfully manages a client portfolio including several small business owners, dentists, surgical centers, and regional developers. Regardless of the scope of work, or size of the deal, Brandon provides the highest level of attention to all clients and partners.

Prior to entering the commercial real estate field, Sessions owned and operated his own company for eleven years. In addition to managing his own business, Sessions also worked as a full-time paramedic for over five years in the greater Sacramento area. His experience working with the area's hospitals, nursing homes, private medical offices, radiology centers and surgical centers has given Sessions a great understanding of medical users' real estate needs.

Sessions has earned several achievements and accolades during his term in Commercial Real Estate including, ACRE Rookie of the Year nominee in 2017, ACRE Next Generation nominee in 2019 and 2020, and TRI Commercial Top Producer from 2017 – 2020. He attributes his success to his ongoing commitment to provide excellent customer service and ability to focus on his clients' needs.
