ABOUT ME

Jeff Osborne joined the Osborne Group in 2015 as a real estate assistant and runner. He provided operational support to multiple agents in the office before becoming an associate in 2016. As an associate, he co-manages multiple listings for the team ranging from 700 square feet to 94,000 square feet. Osborne works side by side with some of the industries most successful and respected professionals. He brings a strong and professional work ethic to the team.

Prior to joining the Osborne Group, Osborne worked for the United States Border Patrol for three years. It was with the Border Patrol that he developed and honed his work ethic and attention to detail that he uses today as an associate with the Osborne Group.
