Kannon Kuhn

Associate

Career Summary

Kannon Kuhn graduated from Chapman University in 2018, where he studied Business Administration with a Real Estate Emphasis and was the captain of the Men's soccer team. Kannon went on to work for a retail brokerage team at CBRE, after serving multiple internships with the company throughout college.

In the summer of 2019, Kannon transferred to TRI Commercial, now focusing on office brokerage underneath the Osborne Group. In the spring of 2021, the Osborne Group made the move to Gallelli Real Estate, where Kannon is now continuing to grow upon his services and success. As a young member of the Osborne Group, Kannon assists with listings, represents tenants, handles both owner user and investment sales transactions, and helps with gathering market research. Born into a real estate family in Placer County, Kuhn is knowledgeable with the local real estate market.

Highly motivated and a with a lifetime of leadership experience as a student athlete, Kannon is eager is to add value to our clients. His love of real estate, attention to detail, and his professional dedication to clients makes him a valuable asset. As Kannon enters his third year in commercial real estate brokerage, he is confident and eager to start adding to his accolades within the industry, underneath team mentors Robb Osborne and Brandon Sessions.
